Description

The Mercury Racing® Pro Finish Bravo I FS outboard propeller offers excellent time-to-plane performance, sweet mid-range punch, and awesome top-end speeds for bass, flats, cat flats, and performance center-console bay boats. The stainless steel prop, designed for use on 150 hp to 350 hp four strokes including Mercury Verado®, Mercury Pro FourStroke, and competitor-brand engines, features four robust blades and a tuned exhaust tube. The shortened exhaust tube provides greater top-end speed, while minimizing stern lift for improved boat handling and performance.

SPECIFICATIONS

Pitch 22", 23", 24", 25", 26", 27", 28", 29", 30", 31"

Rotation RH, LH

Finish Pro Finish

APPLICATIONS

Contact Mercury Racing Performance Propeller Manager Scott Reichow at 920-924-2037 regarding propeller applications and performance.
