Suburb	MARGATE	Engine Make	

Description

"The 6200 Soft Top features our Self Drain Deck which gives you the ultimate peace of mind when fishing in rough weather. A rear catchment area guides water out to a lower chamber to drain out through the scupper system, so you no longer need to rely on a bilge pump. Paired with our Marine Core HD Hull, the 6200 Soft Top can handle some serious chop when you head out for bluewater fishing."
